## Authorization for Self-Administration of Medication (Children/Youth in School Age Programs)

According to K.A.R. 28-4-590(e)(5)(A) any operator may permit a child or youth with a **chronic illness, condition requiring prescription medication on a regular basis, or a condition requiring the use of an inhaler** to administer the medication under staff supervision. The operator shall obtain written permission for the child or youth to self-administer medication from the child's or youth's parent or other adult responsible for the child or youth, and from the licensed physician or nurse practitioner treating the condition of the child or youth. Prescription medications must be in their original containers labeled with the child's or youth's first and last name, the date the prescription was filled, the name of the licensed physician or licensed nurse practitioner who wrote the prescription, the expiration date of the medication, and specific and legible instructions for administration and storage of the medication. A record of administration must be kept.
